

Shriya Rathaur

524175@student.nitandhra.ac.in | linkedin.com/in/shriya-rathaur20/

Second-year engineering student with strong analytical and problem-solving skills. Quick learner with hands-on experience in academic projects and programming. Seeking opportunities to gain industry exposure and contribute effectively to team projects.

EDUCATION

National Institute of Technology (NIT), Andhra Pradesh

Tadepalligudem, Andhra Pradesh

B.Tech in Electrical and Electronics Engineering; CGPA: 7.88

Aug. 2024 – May 2028

TECHNICAL SKILLS

1. Programming Languages

- Python, C, DSA in C

2. Operating Systems

- Windows, MacOS

3. Databases

- MySQL

4. Utilities and Tools

- MS Office (Word/Excel/PowerPoint), Open Office, Libre Office

5. Artificial Intelligence

- Machine Learning, Deep Learning , Large Language Models (LLMs)

PROJECTS

Autonomous Waste Collection Robot with Robotic Arm

Designed and developed a mobile robot equipped with a robotic arm to pick and place solid waste into an onboard collection container.

Integrated ultrasonic sensors and motor control systems for object detection, movement control, and automated pick-and-place operations.

Implemented a rotating brush-based dust cleaning mechanism to collect fine particles while the robot navigates.

•

Tech Stack: Arduino, Embedded C/C++, DC Motors, Servo Motors (MG996R), Ultrasonic Sensor (HC-SR04), L298N Motor Driver

Natural Language-Driven Agentic Web Information Retrieval System

- Built an AI agent that autonomously navigates multiple web pages to gather and consolidate information, mimicking how users browse through multiple tabs.
- Used LLM-based web scraping to extract domain-specific data from websites and synthesize final answers from dispersed sources.

- Integrated multimodal processing to analyze both text and image content, enabling richer and more context-aware information retrieval.

Positions of Responsibility

- Senior Executive member— Innovation and Entrepreneurship Cell
- Technical Team Coordinator — TechKriya 2025, Annual Technical Fest
- Executive member— Literary and Debate Club

Certifications

- Oracle Cloud Infrastructure 2025 Generative AI Professional Certified
- Oracle Cloud Infrastructure 2025 Foundations Associate Certified
- Oracle Cloud Infrastructure 2025 AI Foundations Associate Certified
- Fundamentals of Deep Learning NVIDIA
- Building Transformer-Based Natural Language Processing Applications NVIDIA
- Introduction to Large Language Models (LLMs) [NPTEL]

Achievements

- Gold medal in SOF Mathematics (IMO) and Science (NSO) Olympiad
- Three bronze medals at the All India Inter-NIT competition and won multiple gold medals in swimming at interschool competitions in Bengaluru
- Participated in Karnataka state level Basketball tournament.
- Participated in many debate competitions
- Green energy ambassador at school and did project on a solar energy based lamp
